Avon Dassett Parish Council

Grants Policy

1) Purpose

Avon Dassett Parish Council “the Parish Council” is funded by the residents of Avon Dassett and therefore has only limited funds available to assist community organisations located and working in Avon Dassett for the benefit of the community. Subject to funding being available, the Parish Council is committed to providing assistance and support to local community groups which are set up to promote community life for Avon Dassett residents. The Council’s financial support is provided by way of grants/donations which are decided against criteria set which will be reviewed annually to coincide with the Annual Parish Meeting.

In order for the Parish Council to be able to assess applications rationally and objectively, many of which will inevitably be totally dissimilar in content, it is both necessary and helpful to assess all applications received against a range of criteria. These are designed to be a general indication of need but are not exclusive and can be flexibly applied. The Parish Council’s policy on community grants is based on the principle of promoting the development of partnerships which encourage and enable local community organisations to deliver local projects, services or facilities to the residents of the Parish.

In general, the following principles apply:

- a) Assistance will be given on the basis of need, merit and contribution to the local community
- b) Applicants must clearly show how any assistance given will benefit the people living in the Parish or will benefit the environment of Avon Dassett
- c) Any assistance given will be subject to ongoing monitoring and subsequent evaluation of the outcome of the grant
- d) Organisations should not make a presumption that funding will continue on a year-to-year basis

2) The Aims of the Council’s Grant Making Policy

The Parish Council provides grant funding to support the following aims:

- a) To enable local people to participate in voluntary groups and activities
- b) To help the parish’s’ voluntary groups to improve their effectiveness
- c) To ensure the provision of services needed by the residents
- d) To support organisations which meet the needs of people experiencing social and economic difficulties
- e) To ensure that there is equality of access and opportunity for all parishioners of Avon Dassett to the services it provides and funds
- f) To improve or enhance the local environment
- g) To achieve value for money

The Council defines a voluntary group as a non- profit making organisation, set up and run by a voluntary, unpaid committee. The Council can only donate funds to organisations if the Council has a ‘Power’ to do so.

3) The Grants Process

To apply for a Council grant you must be a charity, community group or local voluntary organisation with a constitution and dedicated bank account, operating or providing a service to the community. All funding requests must use our application form and applicants should provide all information requested.

Avon Dassett Parish Council

Grants Policy

The amount of money available for grants varies each year, depending on the overall council budget.

Avon Dassett Parish Council supports a wide variety of grants/donations. Avon Dassett Parish Council particularly welcomes applications from small or newly formed groups and those that have not applied to us before.

Avon Dassett Parish Council uses the following criteria to decide on grant applications:

- Whether the group/project has followed our grants process and meets our requirements and grant giving policy.
- Level of benefit to Avon Dassett and the impact the grant will make.
- Evidence of a well-managed group including previous experience and track record.
- Financial sustainability and viability of the group and/or project.
- Evidence of partnership working.
- Evidence that funding has been sought from other sources and the level of match funding available.
- Evidence of compliance with previous grant award conditions.

Avon Dassett Parish Council will not fund the following:

- Organisations that do not provide a service to the community in Avon Dassett.
- Individuals or appeals supporting an individual.
- General appeals.
- Statutory organisations or the direct replacement of statutory funding.
- Political groups or activities promoting political beliefs.
- Religious groups where funding is to be used to promote religious beliefs.
- Arts & sports projects with no community or charitable element.
- Medical research, equipment or treatment.
- Animal welfare.
- Projects that may take place before an application can be decided.
- Organisations that have a closed or restricted membership.
- Equipment or other costs that have already been purchased or incurred prior to the application being considered.

Avon Dassett Parish Council grants are usually offered on a one-off basis to support a particular project, event, activity or the purchase of equipment. They are also open to new groups wishing to start up and receive a small contribution towards their running costs.

4) The Application Process

Groups must apply for funding using the appropriate application.

Grant application forms can be downloaded from the Council's website or are available from the Clerk. The Clerk will also provide assistance to any group having difficulties completing the application form. Grant applications will only be considered if all sections of the form are completed and appropriate supporting information/evidence is supplied where requested. All valid grant applications will be assessed and presented to the Parish Council for consideration. All applicants will be notified of the Council's decisions.

6) Monitoring and reporting requirements

Such evidence of how the money has been spent should include copies of invoices and receipts, plus attendance numbers, photos, press clippings, etc. where applicable. This information should be submitted within 3 months of the event/project end or by the end of February each year whichever is sooner, so that it can be reported at the Annual Parish Meeting.
